Mr. Brown's resignation will take effect August 15th.

Kenyon to Campaign For Two Million Dollars

A campaign to raise two million dollars for the College is now being organized after unanimous approval by the Board of Trustees on July 10 at Cleveland. These funds will increase the total assets of Kenyon College fifty per cent.

Lasting three years, the drive will be directed at those individuals, inside and out of the Kenyon family who are interested in the welfare of the college.

Of the two million dollars, \$250,000 will go towards the erection of a new library building or the enlargement of the present one; \$250,000 will be for the endowment for the operation of the library.

\$200,000 is to be set aside for the building of a new gymnasium or field house, with \$100,000 allocated to its maintenance.

There is to be a \$900,000 endowment of professorships and chairs. This amount will be sufficient to raise Kenyon professors' salaries to a parity with the leading colleges and universities of the United States.

Among the other items to be taken care of by the Fund are a chapel organ to cost \$12,000; an organ for Bexley, \$5,000; aviation equipment to cost \$5000.

Professional fund raisers are being selected to manage the drive.

Leonard Hall Reopens

Leonard Hall, opened to students in September 1924, was built by Ohio churchmen as a tribute to Bishop William Leonard the fourth bishop of Ohio. One hundred thousand dollars toward its erection was given by Mr. Samuel Mather. At that time neither Mather Science Hall nor the Commons had been constructed.

Built in the collegiate gothic style, Leonard is designed to house about a hundred men, its three divisions being assigned to Psi Upsilon, Beta Theta Pi, and Delta Tau Delta. In 1943 those fraternities found it necessary to move out of the dormitory to make room for Army Units stationed at Kenyon.

Leonard now has been reopened to students who will occupy only the Psi U division.

Firmus R. Miller, '34 Promoted to Major

Promotion of Captain Firmus Robert Miller, Kenyon, '34, to the grade of Major, was announced recently by the War Department at a base unit of the North African Division, Air Transport Command, where Major Miller is Director of Priorities and Traffic.

Major Miller directs all passenger and cargo transport at his base, and his staff function is considered one of the most important in the Air Transport Command. world's most traveled airlines.

Major Miller's department last year handled more than eight and one half million pounds of air freight, during one of the busiest periods that the base has experienced since its establishment in December, 1942, a short time after the invasion of North Africa by allied forces.

Major Miller, on active duty since June, 1942, entered on his present tour of foreign duty in May of last year, having previously served seven months overseas in the Alaskan Wing of the A.T.C. While in the United States he was Commanding Officer of the 39th Air Freight Det. at Boeing Field, Washington and Air Freight Officer of a similar detachment at Middletown Air Depot, Middletown, Pa.

MUSIC INSTITUTE PERFORMS CONCERT OF CHAMBER MUSIC

The Music Institute presented the first concert of its Summer Session here at Kenyon at the Speech Building Auditorium, Saturday, July 14, 1945, at 8:00 P.M. This concert of chamber music consisted of three selections. The first was Ludwig van Beethoven's Opus 1 no. 3, a trio for piano, violin, and cello in C minor; preceding the intermission was a quartet by Wolfgang Amadeus Mozart for piano, violin, viola and cello in G Minor, K. V. 478. Following the short intermission was another trio for piano, violin, and cello, this in B Flat Major, Franz Schubert's Opus 99.

Joanna Graudan was at the piano; Marcel Dick, at the viola; Rudolf Kolisch, at the violin; and Nikolai Graudan, at the cello. The Auditorium was filled to capacity and many of the audience occupied chairs upon the stage itself. The number of listeners vouched for the success of the occasion, and the second Saturday Concert should be even more heavily attended.

The second concert, July 21st will feature Lotte Leonard, accompanied by Frederic Waldman, Songs of Beethoven, Schubert and Hugo Wolf.

Wednesday Recital

Besides the Saturday concerts, the Music Institute has announced its intention of holding regular Wednesday recitals, the first of which was held July 16 in the Speech Building. ONE MAN'S MEAT

By CHARLES ALLEN

With speedy ratification of the United Nations agreement at San Francisco by the Senate and the recent meeting of the Big 3 to pool power and resources to make the Charter a stronger reality, prospects for genuine international co-operation appear bright. However, in the face of these encouraging developments, a recent event seems to indicate that our domestic policy is taking a turn for the worse.

In 1943 the Fair Employment Practice Commission was organized "to secure legislation making it unlawful for any employer, government agency or trade union involved in interstate commerce to discriminate against any person because of race, color, creed or national origin." During its short existence this hard-working commission more than justified its

creation, for its efforts were a positive contribution toward racial tolerance. Right now this commission is but a memory; its appropriation was so reduced by the Senate that a brief autopsy reveals it to be colder than a mackerel.

Senators Bilbo and Eastland of Mississippi are largely responsible for blocking the continuance of FEPC; their successful filibustering lead to such a compromise that it in effect repudiates the principle of tolerance. A few of their more choice remarks make attractive reading — for fascists. According to Mr. Eastland, rabid advocate of such undemocratic measures as the poll tax and the social security freeze, Negroes are "an inferior race." Mr. Bilbo, every bit the demagogue that his colleague is, branded the

Mr. McGowan will continue in his position as Registrar and will probably conduct one course in Political Science also.

Dr. Chalmers also announced that there has been a suc-

cession of gifts for the expansion of the Library, one of the most important of which was one of \$10,000 donated by Kenyon Alumnus, Carl A. Ganter, Class of 1899. (See *Collegian*, June 8.) These gifts will involve a great deal of work in the selection of books, for which the funds may be spent. For this purpose, Dr. Richard G. Salomon has been appointed Counselor in Bibliography and will devote his time to bibliographical work leading to the purchase of books for the Alumni Library.

ERROR

In the last issue of the *Collegian* the article entitled *One Man's Meat* contained the phrase "dictatorship of Churchill." This phrase should have read "directorship of Churchill."

Phi Kappa Sigma — Paul Buck, Santo Artino, Rees Davis, Thomas Fowler, John Nesbet, Henry Roberts, Thomas Whitney, Charles Coolidge.

Delta Phi — Willard Bell, James Eckstein.

The *Collegian* wishes to congratulate all the pledges on their choice of fraternities.
